Thank you for enrolling in a 3-Wheeled Basic *RiderCourse* with Go Motorcycling, Inc.!

Please read this document as soon as possible so you are familiar with the requirements of your *RiderCourse* and can round up any materials (riding gear/personal items) you may need in time for your class. It is important that you come to class *Ready to Ride!*

On Day 1 of your class, please report to:

**Academic Building, Room 125 or 127
Mohawk Valley Community College
1101 Sherman Drive
Utica, New York 13501**

A map and directions follow later in this document.

“TO DO” CHECKLIST:

- Make sure your NYS Driver’s License will be valid during your course dates. Bring your license to class with you.
- Make a copy your NYS driver’s license (and motorcycle learner’s permit, if you have one; license & permit may be copied on a single page.) Your RiderCoaches will collect this copy on the first day of class.
- Students **under age 18** will need the **notarized** signature of a parent or guardian on the NYSMSP Motorcycle Safety Course **Waiver & Indemnification** form. (A parent may sign in person at class with proper identification - photo ID)
- Bring a pen or pencil.
- Be prepared with proper riding gear, as outlined below.
- Please review the MVCC Regulations, below.
- BE ON TIME!** Plan to arrive at least 10 minutes before your scheduled start time.

RIDING GEAR: All students must have proper riding gear. Your gear need not be motorcycle-specific, but should include sturdy, low-heeled, over-the-ankle footwear (like a work boot or hiking boot), jacket (or minimally, long sleeves), sturdy long pants (no flared legs or holes in the knees, please!), full-fingered gloves and, if necessary, raingear. Check the weather and dress for comfort. **Go Motorcycling, Inc.** will supply the 3-wheeled motorcycles (two wheels in front and one in back – automatic transmission), helmets, eye protection and all course materials. (You may supply your own DOT approved helmet and eye protection.)

SCHEDULING: If your class has an evening session (6-9pm), it will be spent in the classroom and you will not need your riding gear. Daytime sessions will include both classroom and riding activities, so be prepared for classroom *and* riding sessions on each day of your class. It would be unusual for the course to run beyond the posted times, but please allow time in your personal schedule to accommodate later finishes caused by inclement weather or other circumstances.

Attendance is mandatory and you must complete your course as scheduled. There will be no make-up sessions or refunds given. Failure to attend, failure to be prepared to ride (for whatever reason), or lateness resulting in missed classroom or riding sessions will result in your dismissal from the class. There will be no exceptions. Your placement in the course is non-transferable. Please see below for cancellation details.

LUNCH: A lunch break will be given. For convenience, it is suggested that you bring your lunch. There are pizza, sandwich and fast food shops nearby. Be sure to bring snacks and plenty of fluids to drink.

BE COMFORTABLE: Our outdoor classroom is a parking lot! You might want to bring sunscreen, a hat, a lawn chair for breaks and a change of clothes for the classroom. Did we mention you should bring snacks and plenty of fluids to drink?

BE PREPARED: Learning to ride a motorcycle is a mental and physical task that requires you to be alert. Please make sure that you are well-rested and free of impairment and/or distraction for each of your course days. Get a good night's sleep.

BE PUNCTUAL: Please arrive at least 10 minutes before your scheduled course time.

RAIN: Be prepared to ride rain or shine. For your own comfort, if rain is forecast, please bring rain gear! If you don't already own rain gear (for motorcycling or any other activity) an inexpensive rain suit (no ponchos) will do. Come to class rain or shine. Your RiderCoaches will determine that day whether the conditions preclude riding.

LICENSING: In order to successfully complete the course and be eligible for New York State licensing benefits you must meet the following requirements:

- You must have a valid NYS car driver's license.
- You must attend all classroom and riding sessions.
- You must pass a 20-question, multiple-choice exam.
- You must pass the riding-skills evaluation.
- You will need to obtain a motorcycle learner's permit in order to apply the road test waiver; the permit can be obtained either before or after BRC completion.

When you pass the course, you will receive a NYSMSP BRC completion card. This is not your license!! To obtain your motorcycle license, bring your completion card to the Department of Motor Vehicles along with your motorcycle learner's permit and driver's license. The DMV will amend your license to include your motorcycle endorsement. For example, a Class "D" license will now read "DM". If you do not have your motorcycle learner's permit prior to your class, you will need to get one before you can apply the road test waiver. You can obtain your permit and amend your license in one visit to the DMV. Riders under age 18 will need to have held a motorcycle learner's permit for at least six months before the road test waiver can be applied. Until you receive your motorcycle endorsement, you do not have a motorcycle license!

There is no guarantee that a student will be successful in a *RiderCourse*. Students who are not successful on either the written or skills evaluations (as applicable) will be given an opportunity to re-test at no charge. Re-tests must be taken within 30 days of your course completion date.

Any student that is unable to achieve the objectives of the range exercises within the allotted time, presents a hazard to him/herself or other students, or fails to abide by the course safety and instructional guidelines as set forth by the RiderCoaches will be counseled out of the class. If this should occur, you will forfeit the entire course fee. ‘

INSURANCE REDUCTION: Many insurance carriers honor the BRC for a reduced price on your motorcycle insurance premium. Please contact your carrier directly to learn what discounts they may offer.

CANCELLATIONS & RESCHEDULING: Class sizes are small and the demand is high; if you sign up for a class, it is expected that you will attend. If something comes up and you need to cancel or reschedule your class, you should let us know as soon as possible to avoid costly penalties.

You may cancel your class on-line up to one full calendar day before your class start date. If you are canceling your class, a refund will be issued, less a processing fee as outlined below. It may take a few days for the refund to post to your account.

If you cancel your class within the calendar day before your class start date you will forfeit the entire course fee. The ability to cancel your class on-line will terminate at midnight one full calendar day prior to your course start date.

Your course application is non-transferable.
